

FINGERFOOD AND DIM SUM

FINE ASIA SNACKS

ASIAN FINGERFOOD

It's been tradition in Asia for more than thousand years, now it's the new trend here in Europe!

In China, for instance, Chinese lunar New Year – the highest festival of the year - will be celebrated with all the family and home made dim sum, especially goyza. Now Kagerer brings this highlight to everyone. The tasty bites between 15g and 30g are available with all kind of different stuffing from vegetarian to chicken, from savoury to sweet. With all this variety, the perfect mix for every guest is easy to create.

Due to the gentle and fat-free method of preparation by steaming, especially our Shao Mai, Har Kao, Gyoza or the sweet desserts are a modern and healthy alternative.
